

Papatoetoe Central School

Kakariki Newsletter

Welcome Parents and Caregivers to term 3! It's another busy term for the Kakariki Team.

Kakariki team would like to thank you for taking time out to attend our 3 way conferences. It was a very valuable time to have a quality discussion about your child's learning. This has helped students think more deeply about their progress and also to set goals for the term.

Curriculum Areas of Focus

1

MATHS

Place value and number systems, addition and subtraction, fractions, measurement, multiplication and division

2

READING

self monitoring, summarising, scanning, making connections, inferencing

3

WRITING

Descriptions, explanations, information reports, persuasive writing

Social Science:
Ancient Egypt
Health: Disaster Planning

Science and Technology:

Coding and Investigation led by Miss Erakovich

Visual arts:

Ancient Egyptian theme using mixed media

The value for the term is **Determination** with students being encouraged that “victory is gained by resolution and determination.”

Home Learning

A Home learning sheet has been sent out which covers the whole term.

Home learning books are due back to school each Friday.

Great effort shown by students with their home learning.

Spelling

10 new words each week

Important Events

- We have our annual PCS cross country in week 3 and a visit from St. Johns in weeks 7 and 8.
- Rooms 17 and 22 will be going to the Museum on Thursday 16th of August and Rooms 20, 21 and 23 will be going to the Museum on Monday 27th of August.
