May 2016

***Kia ora koutou, ngā mihi nui kia koutou katoa.  
Welcome back to all Kea Team families.  
A special welcome to all new families joining us this term.***

## Reading

We appreciate your continued support with home reading. Daily home reading is essential to support reading with understanding and for enjoyment. Children all have a Reading Eggs login you can use at home. Please ask your child's teacher if you would like login details.

## Term Two Topics

Our Science topic this term is Sustainability and our Social Sciences topic is New Zealand Explorers and Sports Stars. We will be going on a class trip later in the term, details will come home in a separate notice.

## Term Value

Our term two value is Honesty. Children will be learning about the importance of telling the truth and being honest. Children will also continue to work on being PCS - polite, considerate and sensible.

## Options Programmes

Children are able to take part in many activities during break times. Options include library, craft and science activities, sports games and environment group.

## Sunhats

Children are not required to wear sunhats in terms two and three so hats can be sent back to school in term four. We appreciate your help with this.
