Kea Team Newsletter - Term 3

Kia ora koutou, ngā mihi nui kia koutou katoa.

Welcome to all Kea Team families

What we are learning:

Literacy - The newer children are learning the alphabet letter names, sounds and basic sight words. We are all learning to attempt new words using the picture, letter knowledge and using the meaning of the story. We are also learning to make connections between the stories we read and the world around us.

Maths - The children are learning to solve simple addition and subtraction using materials, in their heads or counting on/back from the biggest number. We are learning about New Zealand money.

Topic - We are learning about the different roles people have on a New Zealand farm. Also, learning about the variety of farm animals.

Dance: We are doing folk dancing.
