

Team Kea Newsletter

February 2016

*Kia ora koutou, ngā mihi nui kia koutou katoa.
Welcome to all Team Kea families.*

Teachers

Room 1	Melissa Fok
Room 2	Albertien Chignell
Room 3	Sian Barratt
Room 4	Taryn Naidoo and Shareen Munam
Room 5	Miriam Paxie
Room 6	Renu Naidu
Team Leader	Manesha Patel

Literacy

Children will bring their book bag home daily for home reading. Children will be learning to recall letter sounds and read basic words as well as to discuss the main ideas in stories. A Reading Together programme will take place later this term to support parents and caregivers with home reading.

Numeracy

The main focus areas in numeracy will be counting forwards and backwards, identifying numbers and addition and subtraction to 10. Children will also be learning about geometry and statistics.

Topics

Social Sciences – Historical New Zealand
Physical Education - Small Ball skills and Skipping
Health – Road Safety

Children will need to wear a school sun hat in terms one and four. Hats are available for purchase from our school office. Also in this hot weather, please ensure your child comes to school with their water bottle each day.

School Value – Being PCS

We encourage and expect children to be polite, considerate and sensible at all times. Please encourage your child to be responsible for their belongings. Children can hang up their school bag and bring their book bag into the classroom each day. Children may enter classrooms from 8.30am each morning. Children can wait on the shapes area before 8.30am.

We look forward to seeing you at our Meet the Teacher evening on Thursday 11 February.

Kind Regards
Team Kea Teachers
